

EARTH EXPRESSIONS

THE FINE ARTS LEAGUE OF CUPERTINO

PROSPECTUS - 2008 CUPERTINO FALL FEST JURIED SHOW

Show - September 13-14, 2008, 10 AM to 6 PM

Reception - September 12, 2008, 7 PM to 9 PM

Show location - Community Hall, 10350 Torre Ave., Cupertino, CA 95014

Juror - Stefan Baumann, Artist and Host of the PBS series "The Grand View"

In keeping with the environmental theme of the Cupertino Fall Festival, our show this year will focus on a broad theme of EARTH Expressions. Artists are encouraged to submit artwork that reflects their impressions of EARTH - anything from the artist's appreciation of nature to abstract expressions of concepts like interdependence, tolerance, conservation etc. The possibilities of subject matter are limitless.

Eligibility:

Open to all exhibiting FALC members who work in acrylics, watermedia, oils, photography, ceramics, sculpture and fabric. FALC reserves the right to refuse or remove any work.

Rules of Entry:

1. All work must be original and executed by the exhibiting artist. Submitted work must not have been exhibited at the previous Fall Fest Shows. Submitted work should have been done within the last 3 years.
2. A maximum of 3 pieces of artwork can be submitted. Submissions should be in the form of printed photos measuring max. 5" x 7". Photos should be labeled in the back with artist's name, title, framed dimensions & medium. Photos will not be returned.
3. The specific work accepted for the entry is to be made available for the show. No work may be submitted or exchanged for any reason.

Framing instructions:

All submitted work must be properly framed and ready to hang. Artwork on canvas should be framed or be painted around the sides. Frames should be made of metal or wood.

Watercolors, photographs, pastels and works on paper should be framed under protective plexi-glass. Artwork measuring maximum 20" in both dimensions can be framed in glass at artist's risk. FALC will not be held responsible for glass frames that may break during handling at the show.

All frames should have flat D-rings holding the wire in the back. No sawtooths, clamps, clips or screw eyes will be accepted.

The raw ends of the wires must be taped to avoid injury during handling. Stretch the wire tight.

Wire should be installed about 1/3 of the way down from the top of the frame so it is not visible when hung.

Simple, neutral frames and mats are preferred.

Size of submitted art:

Due to limited space, artwork measuring more than 40" x 40" cannot be accommodated on the panels. Artists submitting work larger than 40" x 40" will be required to bring their own easels which they will deliver at Receiving along with the painting. We have limited space for 8 easels. Maximum size of paintings on easels is 50" x 50".

Artists submitting 3 dimensional work should supply their own display. Work requiring special handling will not be accepted.

Sculpture and ceramics have a size limitation of 24" wide.

Any piece of submitted art that does not follow these guidelines will be rejected from the show.
